**Submission Deadline:
January 31st**

*Do you have an innovative nursing
practice in your NICU?
Did you implement a fantastic QI project that has
really made a difference to your staff, your babies,
or your families?*

We'd love to hear about it and for you to share it
with others—Create a poster and bring it to the
conference.

No experience??

Don't worry we can help you get it done!!

For information:

Contact Andrea C. Morris at AMorris@mail.cvhp.org
for information on how to submit a poster abstract.

Submission deadline is January 31, 2011

COURSE DESCRIPTION: This program is designed to provide a forum for experienced and novice neonatal nurses, nurse practitioners, managers and clinical nurse specialists to learn and share challenges in caring for neonates.

Topics cover the spectrum from basic to advanced, sharing outcomes of new or less utilized care

measures with the neonatal community.

COURSE OBJECTIVES: Upon completion of the course, the participant will be able to:

1. Discuss implications of medication shortages and backorders to the neonatal patient.
2. Identify indications, side effects and nursing considerations for medications given via drip administration.
3. Verbalize various nursing considerations in caring for the neonatal patient with a PICC line in place
4. Discuss legal considerations in the care of neonates.
5. Discuss innovations in practice in neonatal care.
6. Understand the process toward invention and marketing for a neonatal product.
